The online publishing of the Jamboree Information Guide is under the authority of the 23rd Aotearoa New Zealand Scout Jamboree – Jamboree Leadership Team (JLT).

**Version Control** - To ensure the latest information in this Guide, please refer to the version and date authority in each page footer.

## Daily Digital Newsletter

A daily digital newsletter will be available on electronic screens located throughout the site and the Jamboree website during the Jamboree.

## Social Media

Daily updates will be via social media channels - Facebook, Instagram and YouTube. The updates will include photos, news and video. An ideal way to give the families of all Jamboree participants at home up-to-date on what is happening at Jamboree and the wider Scouting community both in New Zealand and overseas.

The Jamboree Relations Team will confirm the various social media channels URLs nearer to the time of the event.

## Online Environment and Image Policy

We encourage all Adult Leaders and Staff attending the Jamboree to be familiar with Scouts Aotearoa's Online Environment and Images Policy.

The policy aims to create a safe online environment for all members of Scouts Aotearoa, in accordance with the Scout Law, Promise and Code of Ethics when online for Scout purposes.

This policy applies to all young people and adults engaged in Scouting.

For details of the policy, please refer to:

## Internet Hub

There will be an Internet Hub in the Jamboree Hub with facilities for Scouts and Leaders to access their emails and Facebook to send messages to family.

Also, the National Office team will have a section for youth to update their badge records in Mahi Tahī, and the team will be on hand to provide training.

## Communications Hub

The Communications Team is the base for all news communications, both onsite and for the outside world, and will be located in the Jamboree Hub. The Communications Hub will be staffed daily from 8:30 am to 9:00 pm.

## Media Relations

All media relations will be managed by the Jamboree Relations Team Director - email address [media@jamboree.scouts.nz](mailto:media@jamboree.scouts.nz)

## Mobile Phones

It is a Troop decision for Scouts to be permitted to bring their mobile phones to Jamboree. The Jamboree takes no responsibility for any loss or damage to mobile phones.

Mobile phones are encouraged. Charging facilities will be available at the Jamboree Hub, which may provide this service for a small charge of a badge.

**Note:** Any device chargers plugged into any power source onsite or offsite base are subject to current health and safety requirements and must have recent test tags attached. No exceptions will be made.

## Public Telephones

There will be no public telephones on site.

## Contact Details during the Jamboree

The postal and courier address for sending anything to Jamboree is:

Name of Scout or Leader  
Jamboree troop name and site number
